We go down, we go down,

we go down, it's the easy way out.

VERSE 2:

Who is this fool
 Who believed all the stories
 I wish I could say it's not me.
 You polluted my head
 With the things that you said
 I became what you wanted to see.

All of these years
 I've built up this hate
 I had my chance coming
 But now it's too late.

%.

I drank deep from the river
 And sealed up my fate
 I had my chance coming
 But now it's too late.
